Optimizing Ad Copy with Chat GPT

Who is this for?: Intended for individuals who are responsible for creating and optimizing ad copy for various channels and platforms.

Objective: To guide the process of optimizing ad copy using Chat GPT, a language model developed by OpenAI. The SOP aims to provide a systematic approach for generating compelling ad headlines, creating engaging body text, conducting A/B testing, and designing social media content to enhance the effectiveness of advertising campaigns.

- Open a web browser and navigate to OpenAI's GPT-3 Playground: <https://chat.openai.com/>
- Log in to your OpenAI account. If you don't have an account, you can sign up for free.
