

Catalog SOP: Download a Removal Shipment Detail Report

03/17/2025 2:25 pm CDT

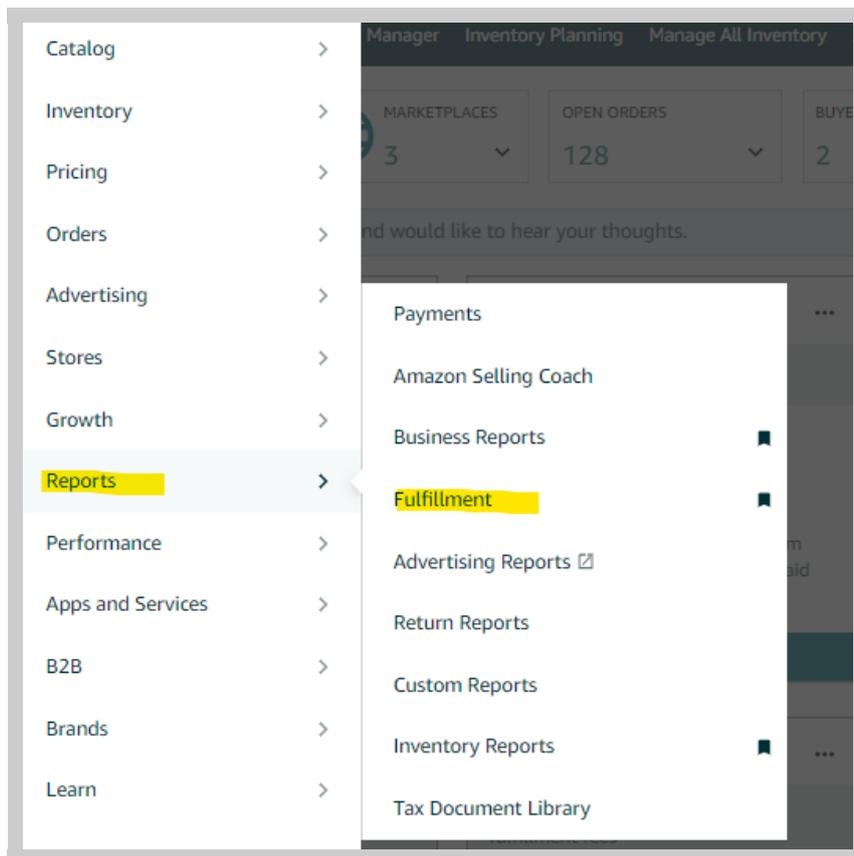

Who is this for?: Intended for individuals who are responsible for inventory management, logistics, and supply chain operations within an organization using Amazon's fulfillment services.

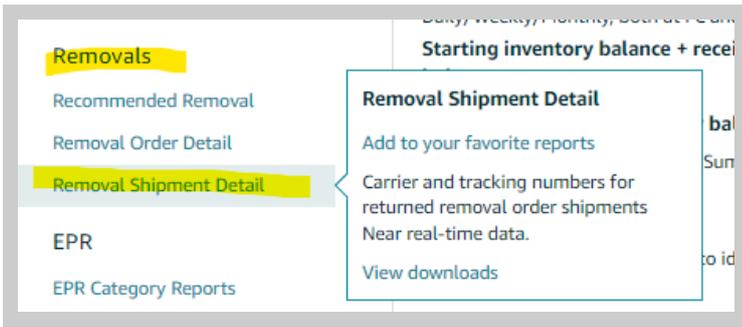

Objective: To outline the process for downloading a Removal Shipment Detail Report. This report provides detailed information on removal shipments from an Amazon fulfillment center, including the SKU, quantity, reason for removal, and disposition of the inventory. The objective is to enable effective tracking and management of removal shipments, ensuring accurate inventory control and decision-making.

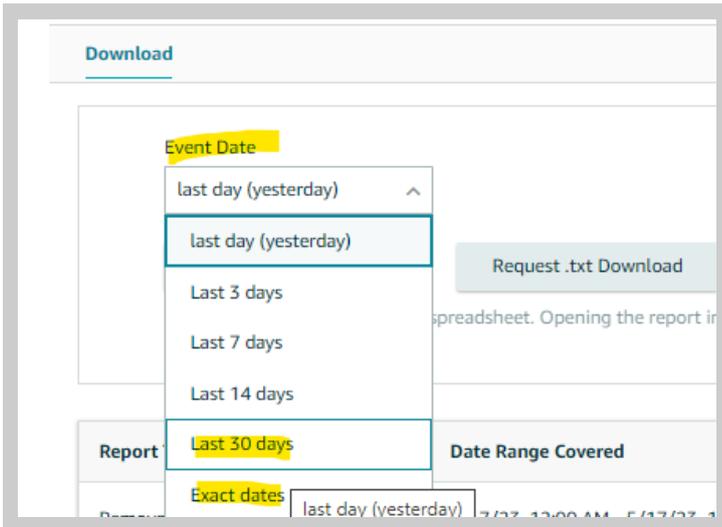

1. Go to the "Reports" tab on the top menu of Seller Central and select "Fulfillment" from the drop-down menu.

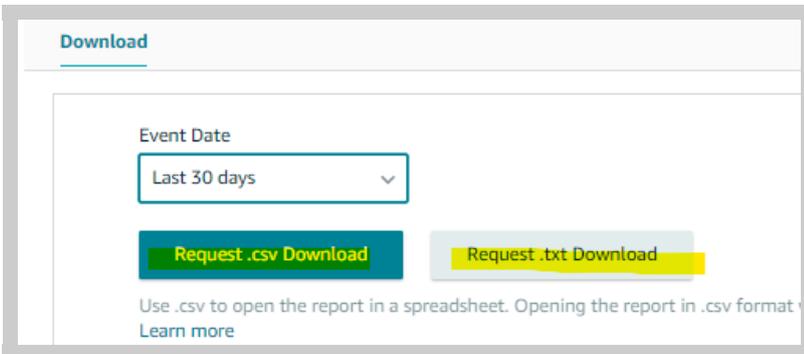

2. Under the "Removals" header on the left side of the page, click on the "Removal Shipment Detail" link.

3. On the next page, select the "Event Date" from the drop-down menu available or choose "Exact Dates" from the drop-down menu and enter the "From" and "To" dates from the calendar icon to the right of each.

4. Click on the "Request .csv Download" or "Request .txt Download" button if you want to download the report in an excel or text format.

5. In the table below, check the "Report Status" column for the status of the report. It will show "In Progress".
