

Catalog SOP: Managing Inventory Amazon Fulfills

10/11/2024 11:12 am CDT

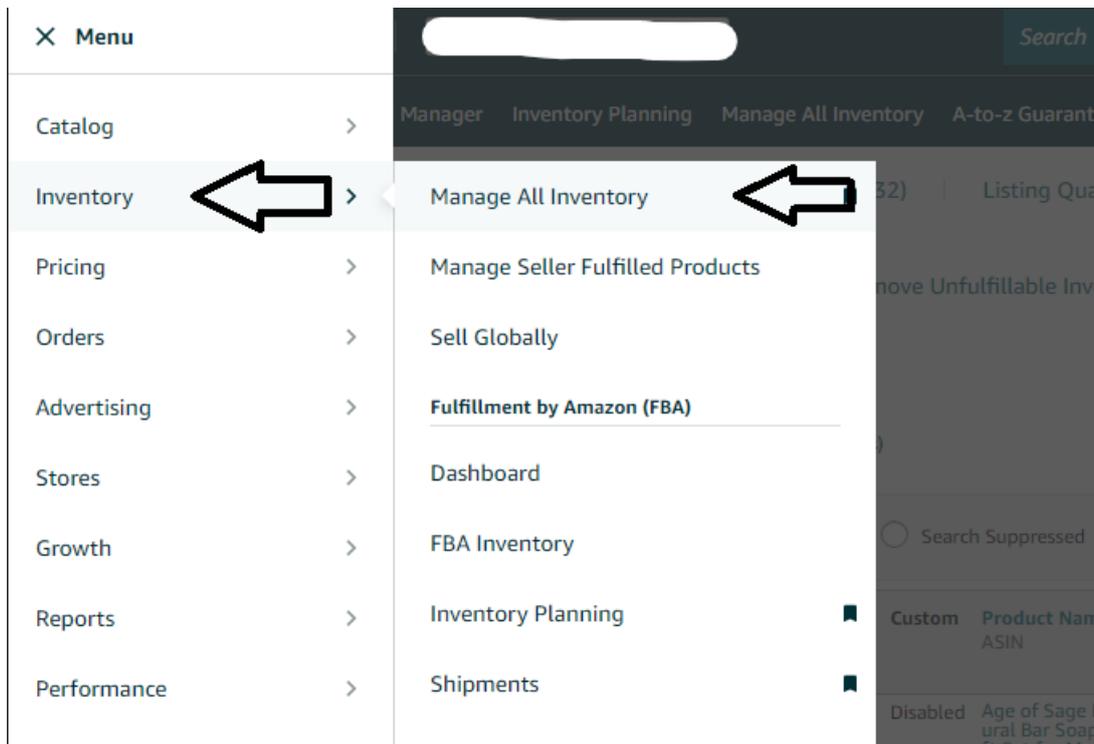

Who is this for: It's important to note that while Amazon handles the fulfillment logistics, as the seller, you are responsible for managing your inventory, ensuring accuracy, and making strategic decisions to optimize your inventory levels and sales performance.

Objective: To leverage Amazon's fulfillment infrastructure, improve customer service through faster and more reliable order fulfillment, and streamline your operations for scalable growth.

1. In Seller Central, go to Inventory > Manage All Inventory.

2. Click on the "Inventory Amazon Fulfills" link at the top of the next page.
