

Catalog SOP: How to download an All Listings Report

10/11/2024 11:18 am CDT

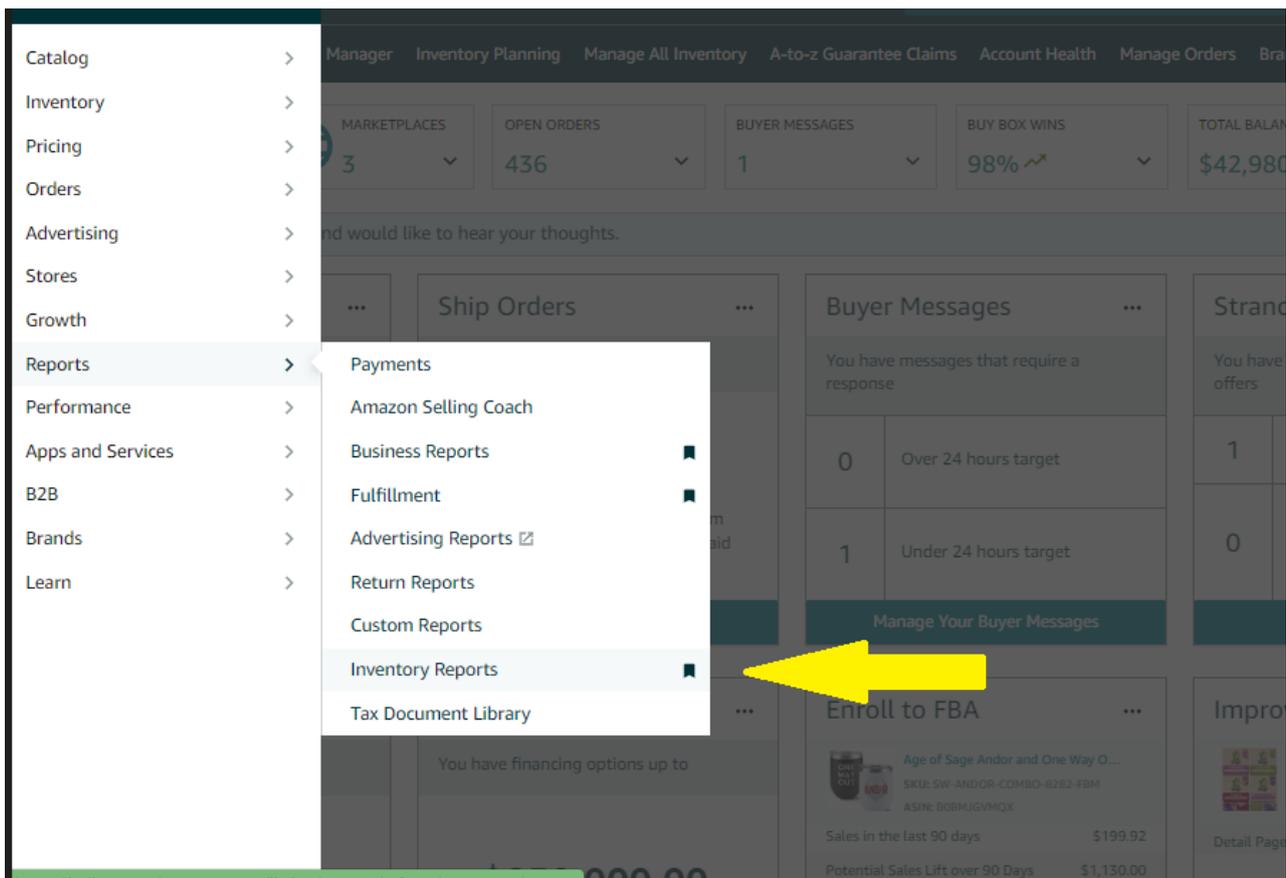

Who is this for? An Amazon seller may request an All Listings Report to gain a comprehensive overview of all the products they are currently selling on the platform. This report provides detailed information about all of the seller's active listings, including the product title, ASIN, SKU, listing status, price, and other relevant details.

Objective: To provide sellers with a valuable tool for managing their product catalog and optimizing their performance on the Amazon platform. By using this report to gain a complete overview of their listings, sellers can make informed decisions that drive sales and increase profitability over time.

1. Access the “Report” tab from the top menu of Seller Central and select “Inventory Reports” from the selection Menu.

2. On the next page, select “All Listings Report” from the “Select Report Type” Drop-Down Menu provided.
