

Catalog SOP: Download an Amazon Fulfilled Inventory Report

10/11/2024 11:21 am CDT

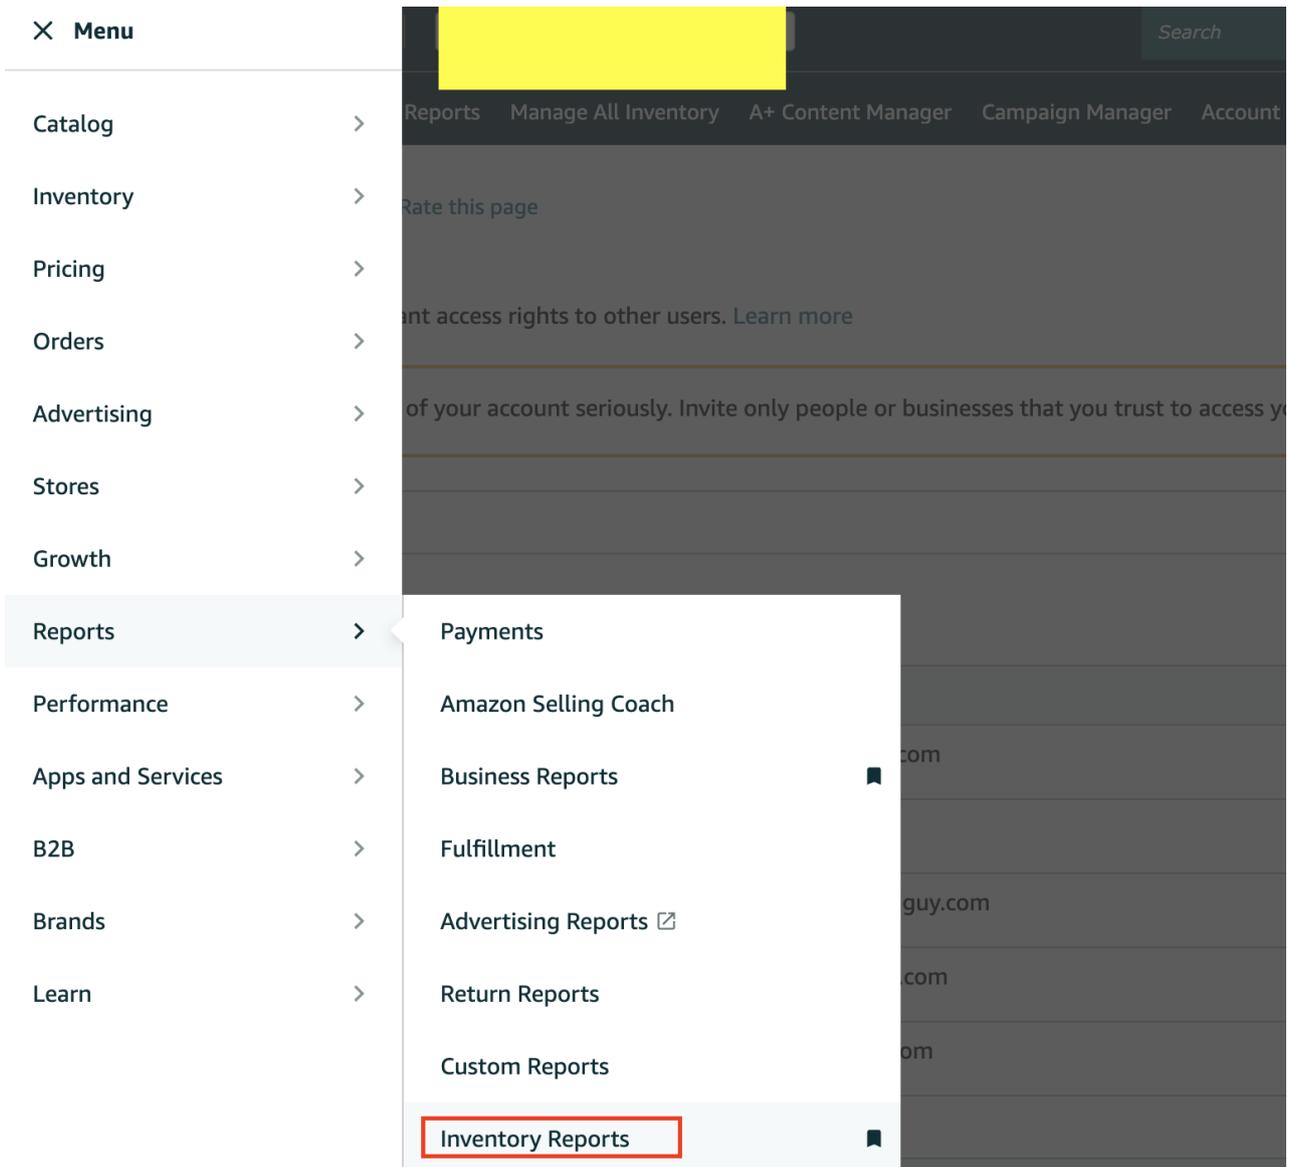

Who is this for? This SOP is specifically designed for sellers operating on the Amazon platform and utilizing Amazon's fulfillment services.

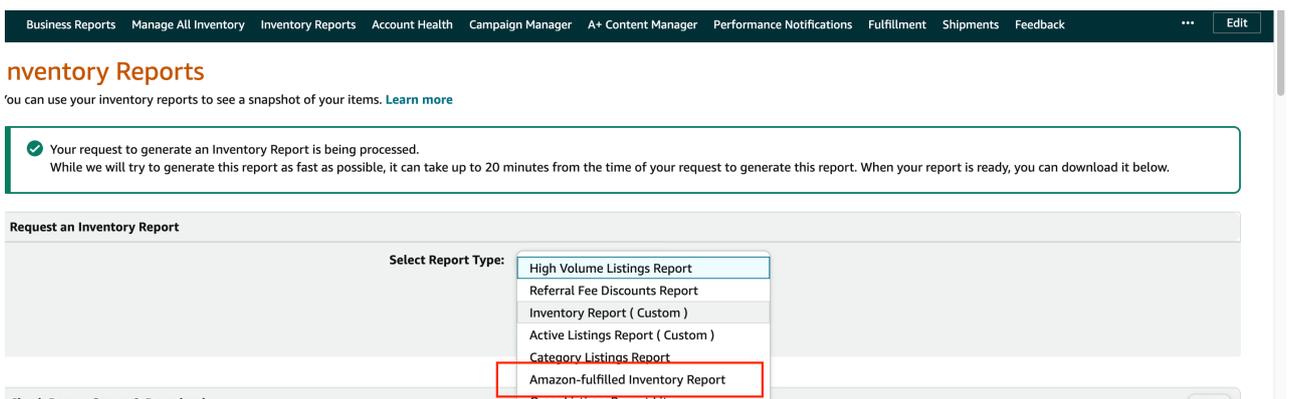

Objective: This SOP is to guide users in downloading an Amazon Fulfilled Inventory Report. By following this SOP, users can assess their inventory levels for better stock management and fulfillment strategies.

1. Log in to Amazon Seller Central. Click on the three-line bar located on the top left side, then select "Reports," and choose "Inventory Reports."

2. Select "Amazon Fulfilled Inventory Report" from the "Select Report Type" Drop-Down Menu on the next page.

3. Click the "Request Report" button. The report will appear in the table below with a "Request Submitted" status.

Request an Inventory Report

Select Report Type: Amazon-fulfilled Inventory Report

Download an Amazon Fulfilled Inventory Report for a current snapshot of the quantity and condition-type of your products. [Learn more](#)

Request Report

Check Report Status & Download 25

Report Type	Batch ID	Date & Time Requested	Date & Time Completed	Report Status	Download
Amazon-fulfilled Inventory Report		5/25/2023 09:18:48 GMT-0400 (Eastern Daylight Time)	Not Complete	Request Submitted	

4. Once the report is ready to be downloaded, click on the "Download" link and save the report to your computer as needed.
