10/11/2024 3:48 pm CDT

Who is this for: Anyone needing to add ASINs into DataHawk

Objective: Adding ASINs into DataHawk to track products.

Adding ASINs into DataHawk.

Go to Sources-Overview-Products

Click Add Products

Choose Add Amazon Products from the drop down menu

Click Enter ASINs

Here is where you want to enter the ASINs you would like to track

Toggle Add ASIN Variations

Choose tag: Example, Impact, Van Holten's, etc.

Once the ASINs are entered you want to mark them owned. Go back to overview, select the ASINs you just entered and mark them owned.
