

Catalog SOP: Editing an Enrolled Vine Product on Vendor Central

10/09/2024 12:44 pm CDT

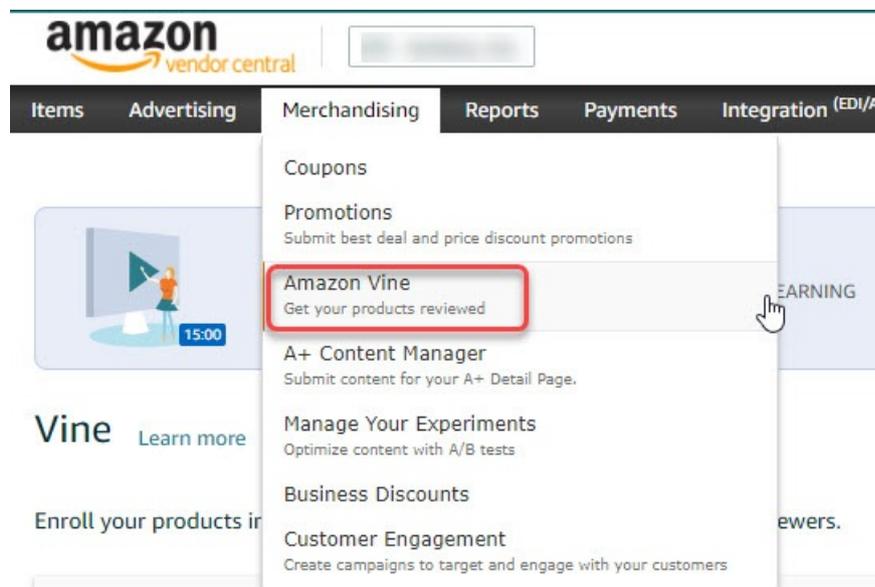

Who is this for? All individuals who want to edit current Amazon Vendor Central Vine enrollment.

Objective: To be able to successfully edit the current Amazon Vendor Central Vine enrollment.

To modify a product enrolled in the Vine Program, follow these steps:

1. Go to Vendor Central and click on the "Merchandising" tab in the top menu.

2. Select "Amazon Vine" from the dropdown menu and click on the "Scheduled" link to view the list of products enrolled in Vine, along with their enrollment and fulfillment center status.
3. Find the product you wish to modify and click on the "Edit Enrollments" option from the "Actions" column dropdown menu.
4. Make any necessary changes and click on the "Save Changes" button.
5. You can modify your Vine product before it is delivered to an Amazon fulfillment center and added to the Vine Voices queue.
6. However, once your Vine product is in the Vine Voices queue, you cannot modify it, though you may be able to cancel it.
