

Theme: Dark and Light Modes

04/09/2025 12:47 pm CDT

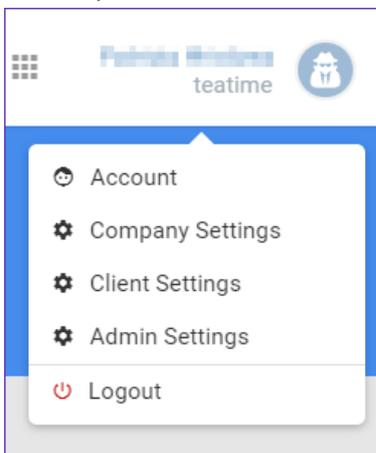

Overview

Shape the visual and aesthetic experience of your Skustack Admin interface. The **Dark Mode** feature lets you switch the standard color theme to a darker one to help reduce eye strain and give the interface a sleek, modern look.

Enable Dark or Light Mode

To switch between dark and light modes:

1. Navigate to the Skustack Admin portal at <https://xx.skustack.com> (replace "xx" with your **server ID** or **team name**).
2. Enter your login credentials.
3. Click on your account's name in the upper right-hand corner and select **Account**.

4. Navigate to the **Theme** panel.
5. Select **Light** or **Dark Mode**. By default, **Light Mode** is selected.
6. Click the **Save** button to apply your changes.
