

FBA Inbound Shipments Details Page

04/30/2025 3:19 pm CDT

Overview

The page covers the UI path and the possible changes and options regarding your shipment, which you can make from within the FBA (Fulfillment by Amazon) Inbound Shipments Details page.

FBA Inbound Shipment Page Overview

To access the FBA Inbound Shipments Details page, do the following:

1. Go to **Inventory > FBA Inbound Shipments > Manage FBA Shipments**.
2. Search for your shipment and click on it.

On the **FBA Inbound Shipment** page, you can view the **ID** and the **Company** at the top.

If you want to make changes to your shipment, you can click on the **Go To Creation Wizard** button to be redirected to the **Create New FBA Inbound Shipment** page. You can also add products by clicking the **Edit** icon in the **Products** tab.
