

Product Age Summary

04/30/2025 3:25 pm CDT

Overview

In this article, you will learn about Sellercloud's **Product Age Summary** report. This report shows the age and last sold date of each SKU created during a time period you select. Last sold dates include both individual as well as kit sales of an SKU.

You can see information about:

- **Products** – name, SKU, and manufacturer.
- **Product history** – creation date, age, and last received.
- **Sales** – last sold individually and last sold as a component.
- **Inventory** – physical and available quantities.

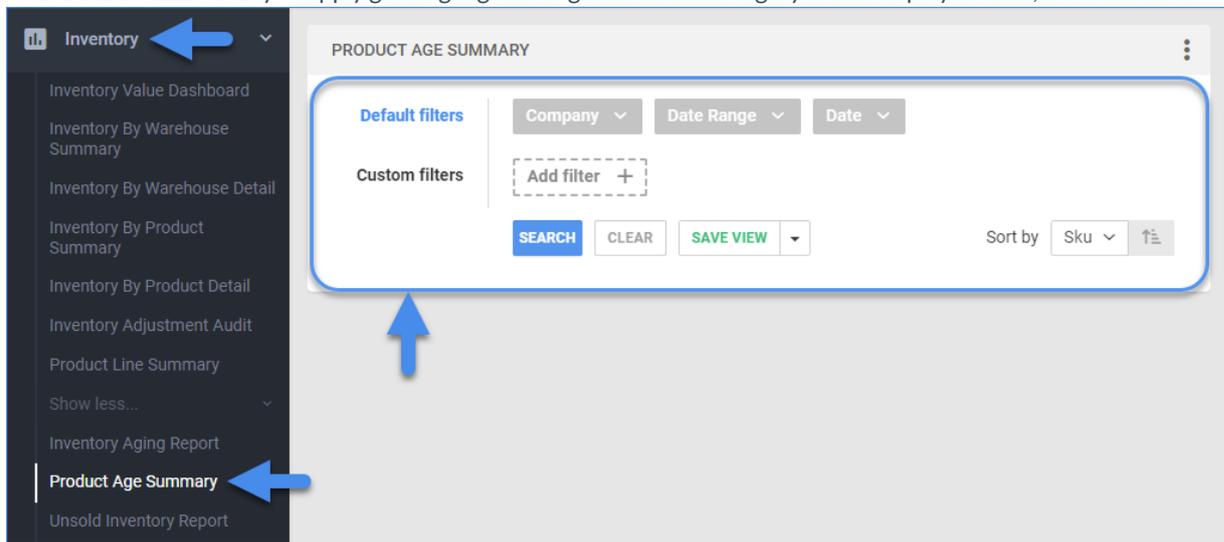

For key points about Sellercloud's Inventory reports, see the [Inventory Value Reports Overview](#).

For answers to general questions about using Sellercloud's Financial Reporting Suite, see the [Reports FAQ](#).

Access and Customize the Report

To use the report, follow these steps:

1. Navigate to **Reports > Inventory > Product Age Summary**.
2. Set up the **Default** and **Custom filters** to have the report show precisely what you need.
3. Click **Search**. Each filter you apply gets highlighted in green. If a filter is gray or not displayed at all, it's not active.

4. To manage the columns in the report, click the three dots icon on the top right and select **Customize Columns**. You can:
 - a. Reorder columns by dragging them up or down in the list;
 - b. Hide columns by clicking the **Trash** icons;
 - c. Add columns by clicking **Add column**.
